ALUMINUM WHEELS

The Performance Series Aluminum Wheels feature 3-spoke unidirectional designs. The wheels all have rims and spokes constructed of 6061T6 aluminum for lighter weight and higher strength. The wheels are available with a smooth rim or with finger grips and

have an extra thick textured foam cushion grip for comfort (Except #640, #641, #642). All wheels have Grant's standard hole mounting pattern. Aluminum wheels are not shipped with horn button.

063 Black Logo Cap

071 Black Splash! Logo Cap

Grant offers a line of high quality tee shirts imprinted with the Grant logo and the Grant Racing logo.

Our Heritage Series features imprints of historical cars and ads that were associated with Grant during the 1940s, 1950s and 1960s. Grant was an early sponsor of the 200 Miles Per Hour Club, and a sponsor of race cars at the Indianapolis 500 including the first Ferrari to race at Indy. An early dry lakes race car and a twin engine Toronado drag car complete the Heritage Series.

The shirts are 100% pre-shrunk cotton and available in adult sizes M, L, XL and XXL.
